

Doctoral Prize Fellow

Job Ref: REQ180226

About the Fellowships

This prestigious Fellowship offers an opportunity to an outstanding recently completed PhD student to receive 24 months of additional support following their PhD. Based at Loughborough University, we aim to support the Fellow in the development of their independent research career. Although the Fellow will be associated with an appropriate Loughborough University academic sponsor, they must be undertaking work derived from their own research questions and ideas. Candidates must have submitted their thesis and been examined before the Doctoral Prize support begins, and they should be within 2 years of their PhD examination. During the Fellowship, the holder will be expected to apply for an appropriate externally funded Fellowship for researchers in the early career stages, to be based at Loughborough University, and to commence at the conclusion of the Doctoral Prize Fellowship. Up to 10 positions are available.

Job Description

Job Grade

Specialist and Supporting Academic Grade 6

Job Purpose

Fellowship holders will be expected to develop their independent research career as part of the Research Leaders programme in Loughborough University's strategic framework for research.

Job Duties

- To pursue a personal research programme consistent with the host School's research agenda as set out in the proposal submitted as part of the application.
- To undertake research activity to underpin an externally-funded Fellowship application.
- To apply for an externally-funded Research Fellowship.
- Where appropriate, to secure further external funding for their research.
- To publish the outcomes of research in outlets of international standing.
- To attend and contribute to major international conferences.

- To pursue opportunities to deliver impact from their research.
- To collaborate in research initiatives with colleagues within the School and across the University.
- To collaborate in research initiatives with other HEIs, industry and other relevant bodies.

Related Activities and Functions

- To work effectively with relevant administrative, technical and academic staff in the School and across the University.
- To undertake such other duties including teaching activities as may be reasonably requested and that are commensurate with the nature and grade of the post.
- To undertake training as required to fulfil the requirements of the role.

Other

- All staff have a statutory responsibility to take reasonable care of themselves, others and the environment and to prevent harm by their acts or omissions. All staff are therefore required to adhere to the University's Health, Safety and Environmental Policy and Procedures.
- All staff should hold a duty and commitment to observing the University's Equality and Diversity policy and procedures at all times. Duties must be carried out in accordance with relevant Equality and Diversity legislation and University policies/procedures.

Points to Note

The purpose of this job description is to indicate the general level of duties and responsibility of the post. The detailed duties may vary from time to time without changing the general character or level of responsibility entailed.

To Apply
