

## Postgraduate Teaching Assistant in Economics

Job Ref: REQ180811

**As part of the University's ongoing commitment to redeployment, please note that this vacancy may be withdrawn at any stage of the recruitment process if a suitable redeployee is identified.**

### Job Description

**Job Grade:** Specialist and Supporting Academic Grade 5

#### Job Purpose

To provide support to the School's learning and teaching activity through assisting academic staff with the delivery of learning and teaching related duties.

To provide the opportunity to undertake a PhD in an area aligned to the School's research ambitions.

It should be noted that Postgraduate Teaching Assistants learning and teaching duties will be undertaken with the close supervision of one or more academic members of staff and will be in support of academic staff and the student experience. Duties will include assisting with marking, giving feedback, developing materials or pastoral care.

Postgraduate Teaching Assistants are expected to maintain standards of professional ethics appropriate for any member of academic staff.

#### Job Duties

##### Teaching and Related Activities

1. To assist academic staff and students with learning and teaching and perform defined tasks under supervision, to not exceed 600 hours across the academic year. As a PTA you will be asked to undertake one or more of the following types of teaching activity under the supervision of, and in collaboration with, relevant academic members of staff,
  - Seminars/Tutorials – to undertake support teaching activities during seminar, tutorial and practical sessions
  - Supervision – Providing statistical support to undergraduates undertaking final year projects.
  - Tutoring – providing students with support for mathematical and/or statistical questions arising in their modules.
  - Workshops—assisting with and running workshops that have been developed by the module's lecturers.
2. To undertake the 'Essential Teaching Skills' training and to work towards Associate Fellowship of the Higher Education Academy

## **Research**

To register as a part-time PhD student of the University and to maintain satisfactory progress throughout the period of appointment. PhD progress will be assessed through the standard PhD progression arrangements of the University and the School.

## **Points to Note**

The purpose of this job description is to indicate the general level of duties and responsibility of the post. The detailed duties may vary from time to time without changing the general character or level of responsibility entailed.

Upon successful completion of Associate Fellowship of the Higher Education Academy, the postholder may be eligible for promotion to the position of Postgraduate University Teacher, on grade 6 of the Specialist and Supporting Academic job family.

## **Special Conditions**

All staff have a statutory responsibility to take reasonable care of themselves, others and the environment and to prevent harm by their acts or omissions. All staff are therefore required to adhere to the University's Health, Safety and Environmental Policy & Procedures.

All staff should hold a duty and commitment to observing the University's Equality & Diversity policy and procedures at all times. Duties must be carried out in accordance with relevant Equality & Diversity legislation and University policies/procedures.

Successful completion of probation will be dependent on attendance at the University's mandatory courses which include Respecting Diversity and, where appropriate, Recruitment and Selection.

Continuation of employment is condition on continued PhD registration and making appropriate progress. A number of special conditions and arrangements relating to the role are set out in here ([link to PGTAs document](#)).

## **Organisational Responsibility**

Reports to the Head of Economics Discipline Group.

## Person Specification

Your application will be reviewed against the essential and desirable criteria listed below. Applicants are strongly advised to explicitly state and evidence how they meet each of the essential (and desirable) criteria in their application. Stages of assessment are as follows:
