

Teaching Fellow in the Institute for Digital Technologies

REQ200659

As part of the University's ongoing commitment to redeployment, please note that this vacancy may be withdrawn at any stage of the recruitment process if a suitable redeployee is identified.

Job Description

Job Grade

Specialist and Supporting Academic Teaching Grade 7

Job Purpose

This is a teaching post, supporting learning and teaching within the Institute mainly in the broad areas of Digital-Marketing and Digital-Finance.

Job Duties

Teaching

- To lead modules and contribute to teaching, assessment and the design and development of materials in Digital-Marketing and Digital-Finance and other teaching areas of the Institute for Digital Technologies.
- To teach and inspire postgraduate students and to conduct associated assessments.
- To provide academic and pastoral support to postgraduate students and supervision for their dissertations.
- To promote the use of a range of methods and techniques in teaching, learning and assessment.
- To engage in the evaluation and development of modules for which you have responsibility, in terms of content, delivery and assessment.
- To be responsible for content of specific areas of teaching and learning within the Institute's postgraduate programmes.
- To cooperate with colleagues in the continuous review and development of the Institute's taught programmes and the curriculum.

Related Activities and Functions

- To work effectively with relevant administrative, technical and academic staff in the Institute and across the University.
- To carry out specific administrative roles and functions as may be reasonably required e.g. Responsible Examiner, Programme Co-ordinator and Personal Tutor.
- To engage in training programmes in the University (e.g. through Staff Development) which are consistent with your needs and aspirations and those of the Institute.
- To undertake such other duties as may be reasonably requested and that are commensurate with the nature and grade of the post.

Points to Note

The purpose of this job description is to indicate the general level of duties and responsibility of the post. The detailed duties may vary from time to time without changing the general character or level of responsibility entailed

Special Conditions

This post will be based at Loughborough University's London Campus on the Queen Elizabeth Olympic Park. The successful candidate should have a willingness to travel to Loughborough University's main campus for meetings, research and training.

All staff have a statutory responsibility to take reasonable care of themselves, others and the environment and to prevent harm by their acts or omissions. All staff are therefore required to adhere to the University's Health, Safety and Environmental Policy & Procedures.

All staff should hold a duty and commitment to observing the University's Equality & Diversity policy and procedures at all times. Duties must be carried out in accordance with relevant Equality & Diversity legislation and University policies/procedures.

Successful completion of probation will be dependent on attendance at the University's mandatory courses which include Respecting Diversity and, where appropriate, Recruitment and Selection.

Organisational Responsibility

Reports to the Director, Institute for Digital Technologies

Person Specification

Your application will be reviewed against the essential and desirable criteria listed below. Applicants are strongly advised to explicitly state and evidence how they meet each of the essential (and desirable) criteria in their application.
