

Chartered Physiotherapist Performance Sport

Job Ref: REQ220441

As part of the University's ongoing commitment to redeployment, please note that this vacancy may be withdrawn at any stage of the recruitment process if a suitable redeployee is identified.

School/Department summary

The Physiotherapist will primarily support the specified Performance Sport programme providing pitch side cover for matches and training, triage sessions, strapping, prehab sessions, individual clinic treatment time, injury surveillance, close liaison with coaching staff and direct links with the sporting IDT.

In addition, there is scope to work within Loughborough University Physiotherapy Clinic, as part of an Inter-Disciplinary team, to provide Physiotherapy support for other nominated Loughborough University students and private clients ensuring an excellent level of clinical care provision.

Job Description Chartered Physiotherapist Performance Sport

Job Grade: Management & Specialist, Grade 6

Job Purpose

The Physiotherapist will support the Performance programme to include pitch side cover for matches and training, triage sessions, strapping, prehab sessions, individual clinic treatment time, injury surveillance, close liaison with coaching staff and direct links with the sporting inter-disciplinary team (IDT).

Job Duties

To provide a comprehensive Physiotherapy service to Performance Sport athletes within your allocated sports, Loughborough University students and a range of other clients as required.

To work closely with the Performance Sport Managers/coaches' and the Clinical Lead in the development of an applied and proactive Physiotherapy service appropriate to your allocated sports.

To work in conjunction with other professional colleagues to ensure the strict adherence to medical/patient confidentiality & appropriate record keeping in line with Clinic policy and procedures and the Chartered Society of Physiotherapy (CSP) guidelines.

To work as part of a sporting inter-disciplinary team providing support to our clients.

To liaise with the broader Performance Sport coaching staff to inform service development.

To provide Physiotherapy support at events as agreed with the Clinical Lead.

To keep up to date with continuing professional development within appropriate areas of clinical expertise. Particular emphasis should be given to the specialist areas of sports medicine, musculo-skeletal medicine and orthopaedics.

To undertake any other duties as appropriate to the role, requested by the Clinical Lead.

Points to Note

The purpose of this job description is to indicate the general level of duties and responsibility of the post. The detailed duties may vary from time to time without changing the general character or level of responsibility entailed.

Special Conditions

The post is offered on a full time (part-time considered if applicant has significant specialism in a single sport) open ended contract.

To work within the rules of professional conduct of the Chartered Society of Physiotherapy & Health Care Professional Council.

All staff have a statutory responsibility to take reasonable care of themselves, others and the environment and to prevent harm by their acts or omissions. All staff are therefore required to adhere to the University's Equal Opportunities and Health, Safety and Environmental Policy & Procedures at all times.

It will be necessary to work outside normal working hours, including evenings, weekends and bank holidays. Also, work schedules may be subject to change at short notice due to the dynamic nature of sports.

The post holder must maintain patient confidentiality at all times and will be required to provide a disclosure statement (see <http://www.homeoffice.gov.uk/agencies-public-bodies/dbs/>) for more details.

Successful completion of probation prior will be dependent on attendance at the University's mandatory courses e.g. Respecting Diversity, Health & Safety, Recruitment and Selection and meeting probationary objectives where appropriate.

All staff have a statutory responsibility to take reasonable care of themselves, others and the environment and to prevent harm by their acts or omissions. All staff are therefore required to adhere to the University's Health, Safety and Environmental Policy & Procedures.

All staff should hold a duty and commitment to observing the University's Equality & Diversity policy and procedures at all times. Duties must be carried out in accordance with relevant Equality & Diversity legislation and University policies/procedures.

Successful completion of probation will be dependent on attendance at the University's mandatory courses which include Respecting Diversity and, where appropriate, Recruitment and Selection.

Organisational Responsibility

Reports to the Clinical Lead.
