

Message from the Director of Estates and Facilities Management

Dear Colleague,

Loughborough University is a fantastic place to work and study. There is a real pride in the University that touches everyone associated with it. We want to attract and retain the best people to work in our Maintenance and Engineering team at Loughborough University and believe that we offer an attractive total reward package that includes: generous index linked pension, generous holiday allowance, access to sporting facilities and gym membership at staff rates and many other benefits. We hope that you will apply and look forward to meeting you

Throughout our history we have built upon our distinctive characteristics and enhanced our strengths. Our origins in 1909, as one of the UK's foremost technical institutes focused on meeting society's needs, set in train an ethos that is still evident at Loughborough today.

Our campus in the heart of Leicestershire – one of the largest in the UK, spanning 440 acres – provides a supportive and enriching environment with first-rate facilities for both staff and students. Loughborough is the largest single site University campus in the UK at 440 acres; it is located close to a market town and is only minutes away from the motorway network. The Estate is in a sylvan setting, with a huge variety of academic, residential, commercial and sports facilities and is 362,000 sq. m in total. There are 154 buildings as well as a further 85 acres that is currently agricultural land adjoining campus that has planning permission for the further development of the Loughborough University Science and Enterprise Park (LUSEP) and is part of an Enterprise Zone. Our Facilities have been voted the best in the UK for the last five years in the Time Higher Student Satisfaction survey and voted the best in the WhatUni 2018 and 2019 awards.
