

Financial Analyst - FP&A (Maternity Cover)

JOB REF:REQ250229

As part of the University's ongoing commitment to redeployment, please note that this vacancy may be withdrawn at any stage of the recruitment process if a suitable redeployee is identified.

The Finance Office includes c.50 colleagues who deliver financial support to the University. Teams within the department include Financial Control, Financial Management, Tax, Procurement and Financial Systems. The teams operate together to cover all aspects from transactional finance through to the development of the University's long-term financial plan and delivery of the £320m+ per annum revenue budget.

Job Description

Job Grade: MA6 - Management and Specialist, Grade 6

Job Purpose

To provide proactive, professionally qualified support, guidance and analysis to support the management of devolved and University level budgets and forecasts.

Job Duties

- Responsible for monitoring and reporting upon the financial position of the University, and its departments to relevant stakeholders, using appropriate means of communication and financial analysis to ensure an effective and efficient budget management service is provided.
- Produce reports, analysis and presentations in order to provide clear and useful information to Finance Office colleagues, budget holders and University senior management.
- Support the University financial forecast, ensuring that updates are made in line with agreed timelines.
- Provide qualified support and advice to key Finance led projects, including data driven analysis.
- Develop and maintain an on-going professional relationship with stakeholders, to ensure that their requirements are fully satisfied and that service level agreements are adhered to.
- Provide support for a range of transactional tasks including the loading and tracking of budget /forecast changes, processing of journals, allocating costs etc. so that the general ledgers are correctly updated and maintained. Contribute to discussions and identify areas where changes in process and reporting can lead to efficiencies.
- Support improvements with regards to the coordination of the month-end, quarterly forecast and budget processes, supporting the communication of these and monitoring compliance.
- Working with the systems team and stakeholders, support and contribute to ongoing projects to improve reporting, identifying areas for improvement within reports and areas where analysis could be used to help budget holders in obtaining best value and best use of resources for the University.
- Attend key meetings, as a finance expert, to provide support and advice on an ad-hoc basis; preparing and presenting reports and/or analysis as may be required.
- Maintain staff expenditure forecasts for defined Schools and Professional services, ensuring the accurate recording of vacancy slippage and changes to the approved establishment.

- Review and monitor expenditure on supplies and services, produce recommendations for improved efficiencies where appropriate, enabling effective financial management of the wider University budget.
- Develop and maintain professional working relationships with the wider finance team and other Professional Services to aid in supporting the financial management role.
- Ensure compliance with financial regulations, technical accounting requirements, legal requirements or University policy and procedures.
- Work with budget holders and Finance Business Partners in setting realistic and achievable budgets, ensuring that these are reflected in University level reporting.

Communication

- Work as an active member of the Finance Office, liaising with members of the wider University.
- Support client department senior management teams and University committees and project management boards.
- Network widely with staff across the University while working closely with the Finance team to ensure service objectives are achieved.
- Respond to requests for support from on any financial, statistical or administrative matter.

Training

- Attend appropriate personal development courses and maintain requirements for continuing professional development as required by qualifying institute.

Functional Contacts

- All colleagues within the University Finance team.
- Other professional services departments within the University

Points to Note

The purpose of this job description is to indicate the general level of duties and responsibility of the post. The detailed duties may vary from time to time without changing the general character or level of responsibility entailed.

Special Conditions

All staff have a statutory responsibility to take reasonable care of themselves, others and the environment and to prevent harm by their acts or omissions. All staff are therefore required to adhere to the University's Health, Safety and Environmental Policy & Procedures.

All staff should hold a duty and commitment to observing the University's Equality & Diversity policy and procedures at all times. Duties must be carried out in accordance with relevant Equality & Diversity legislation and University policies/procedures.

Successful completion of probation will be dependent on attendance at the University's mandatory courses which include Respecting Diversity and, where appropriate, Recruitment and Selection.

Organisational Responsibility

Reports to the Head of Financial Management
