

## PROFESSOR OF PRACTICE AND DIRECTOR OF UK SCALE CENTRE

Job Ref: REQ250285

**As part of the University's ongoing commitment to redeployment, please note that this vacancy may be withdrawn at any stage of the recruitment process if a suitable redeployee is identified.**

Loughborough University and the Loughborough Business School, through a new long-term partnership with the Massachusetts Institute of Technology Centre for Transportation and Logistics (MIT-CTL), has just established the UK Supply Chain and Logistics Excellence Centre (UK SCALE Centre) as the newest member of the MIT Global SCALE Network.

The UK SCALE Centre will focus on research, education, and working with industry, with the ambition of becoming the central hub for supply chain innovation and talent development in the UK. By working closely in concert with key stakeholders in the sector, the Centre will help to bridge the gap between academic research and industry R&D. We aim to drive forward innovative solutions to the biggest challenges facing the UK's logistics and supply chain capabilities. The Centre will also equip the next generation of researchers and professionals with the essential skills and knowledge of best practice to take leading roles in building the future of supply chains.

The Centre will join the established SCALE Network which is already operating around the world in countries such as Spain, Luxembourg, China and Colombia, becoming part of a global collaborative network. In total there are now six Centres of Excellence across four continents. These centres pool their expertise and work together on research projects that address real-world supply chain and logistics challenges, helping companies worldwide navigate an increasingly complex business environment.

The network supports over a dozen educational programs, engages more than 80 researchers and faculty, partners with 150 corporations, and boasts an alumni network of over 1,200 professionals worldwide.

Based at Loughborough University, the UK SCALE Centre will offer both Masters and Doctoral degrees, and the opportunity for MSc students to spend time at MIT's campus. A suite of executive education offerings will also be developed, which will be further customisable to offer bespoke training for individual organisations.

The Loughborough University campus is based in the heart of England. With world-class facilities and plenty of green open space, it has everything our students, staff, and visitors need on site. Loughborough is an exceptional University. Our excellent student experience, acclaimed research, unparalleled sporting achievements, outstanding teaching and learning, and commitment to change, allow us to offer something truly distinctive from that of other Universities.

Loughborough Business School at Loughborough University is internationally leading in research and teaching covering the disciplines of business, management, finance, accounting and economics.

We provide a high-quality education experience and undertake research that is tailored to the demands of today's business environment, certified through triple accreditation by AMBA, EQUIS and AACSB. This leading position is built and developed around a vibrant international community that provides an excellent environment for progressing an academic career.

### Job Description

#### Job Grade

Specialist and Support Academic Grade 9

## **Job Purpose**

The Centre Director will lead the growth and development of the UK SCALE Centre to become the locus for education, research and innovation in supply chain and operations management in the United Kingdom.

The Director will design, direct, and manage the UK SCALE Centre activities in education, research, and outreach and will report to the Dean of School. Among the Director's specific responsibilities are strategic planning, program management, school/staff/student development, resource allocation and budget management, enrolment management, development of research funding, technology transfer, partnership initiatives, and relations with external constituencies.

The Director is expected to contribute, as other school members, in delivering world-class education at the masters and doctoral levels and conducting high quality research in collaboration with other schools across the university, industry and government that is publishable in international journals, academic proceedings, and trade journals.

To work with other senior academic staff across the University to ensure that the ambitions set out in the University's Strategy, Building Excellence are achieved.

To engage personally with those activities, adding to the School's and the University's international reputation.

The postholder will join the School's [Management Science and Operations](#) discipline group.

## **Job Duties – Director of UK SCALE**

- Design, direct and manage UK SCALE Centre activities in education, research and outreach
- Lead the strategic planning of the UK SCALE Centre to ensure centre is future fit
- Lead the Programme Management of all the activities of the centre
- Champion School/staff/student development
- Be responsible for resource allocation and budget management
- Lead enrolment management to ensure the centre continuous to grow
- Develop a research funding stream to ensure cutting edge research
- Promote technology transfer
- Grow the centre through partnerships initiatives
- Manage relations with external constituencies

## **Job Duties – Professor of Practice**

### ***Academic Leadership***

- To provide academic leadership for the activities of the UK SCALE Centre specifically in the academic area as well as more generally across the School and the University, bringing expertise from outside the sector to help inform plans and activities.
- To play a role in the development and communication of the strategic vision for the UK SCALE Centre.
- To facilitate the development of external networks to foster collaboration to promote the UK SCALE Centre, the School and the University nationally and internationally.
- To share knowledge of the external environment and ensure that the School and University capitalise on emerging opportunities.
- To review the scope of current academic provision.

### ***Teaching***

- To teach and inspire undergraduate and postgraduate students, and to conduct associated assessments.

### ***Industry Engagement / Enterprise***

- To facilitate the engagement with business, public and voluntary organisations through knowledge exchange activities such as student projects and placements, and specialist training.

### ***Related Activities and Functions***

- To appraise and advise staff on personal and career development plans.
- To work effectively with relevant administrative, technical and academic staff in the School and across the University.
- To carry out specific administrative roles and functions as may be reasonably required.
- To take part in and, on occasion, act as chair of one or more of the School's committees.
- To engage in training programmes in the University (e.g. through Staff Development) which are consistent with your needs and aspirations and those of the School.
- To undertake such other duties as may be reasonably requested and that are commensurate with the nature and grade of the post.
- To engage fully with the annual Performance and Development Review (PDR) process.

## **Points to Note**

The purpose of this job description is to indicate the general level of duties and responsibility of the post. The detailed duties may vary from time to time without changing the general character or level of responsibility entailed

## **Special Conditions**

All staff have a statutory responsibility to take reasonable care of themselves, others and the environment and to prevent harm by their acts or omissions. All staff are therefore required to adhere to the University's Health, Safety and Environmental Policy & Procedures.

All staff should hold a duty and commitment to observing the University's Equality & Diversity policy and procedures at all times. Duties must be carried out in accordance with relevant Equality & Diversity legislation and University policies/procedures.

Successful completion of probation will be dependent on attendance at the University's mandatory courses which include Respecting Diversity and, where appropriate, Recruitment and Selection.
