

Physiotherapist / Sports Rehabilitator

Job Ref: REQ250332

School/Department summary

Loughborough Sport, in collaboration with external partners and the Athletic Union of Loughborough Students' Union, manages all sporting activities across campus. The aim of Loughborough Sport is to provide exceptional opportunities for participation in sport at all levels, and to exploit the new resources and expertise to the wider benefit of the University and the broader community, locally, regionally, nationally and internationally.

Loughborough University Physiotherapy Clinic provides physiotherapy and massage services to both elite and recreational level athletes as well as students, staff and the local community.

Job Description

Job Grade **Operational Services Grade 4 (OP4)**

Job Purpose To provide sports rehabilitation support across a range of sports for nominated Loughborough University students and athletes and to work closely with colleagues to provide a high level of athlete care.

Job Duties

- To provide a comprehensive sports rehabilitation service to nominated Loughborough University performance programmes.
- To work closely with the Clinical lead and Physiotherapy team in the rehabilitation of long-term injured players.
- To provide soft tissue massage where appropriate for players returning from injury or have a specific performance goal.
- In conjunction with other professional colleagues, ensure the effective management of patient records including use of an electronic medical records system where available.
- Work as part of an inter-disciplinary team to provide support for athletes and clients.
- To provide sports rehabilitation support at sport events, which may include emergency pitch side support, as agreed with the Clinical Leads and Clinic Manager.
- To keep up to date with relevant research and developments concerning the management and rehabilitation of clients and athletes.
- To work within the rules of the UK Professional Code of Conduct, standards and guidelines.
- To undertake any other appropriate duties as requested by the Clinical Lead and Clinic Manager.

Points To Note

The role will require evening and weekend work.

The purpose of this job description is to indicate the general level of duties and responsibility of the post. The detailed duties may vary from time to time without changing the general character or level of responsibility entailed.

Special Conditions

All staff have a statutory responsibility to take reasonable care of themselves, others and the environment and to prevent harm by their acts or omissions. All staff are therefore required to adhere to the University's Health, Safety and Environmental Policy & Procedures.

The postholder will be required to provide a satisfactory disclosure statement (see <http://www.homeoffice.gov.uk/agencies-public-bodies/dbs/>) for more details.

All staff should hold a duty and commitment to observing University's Equity, Diversity and Inclusion policies at all times. Duties must be carried out in accordance with relevant Equality & Diversity legislation and University policies/procedures.

Successful completion of probation will be dependent on attendance at the University's mandatory courses which include Belonging and Inclusion and, where appropriate, Recruitment and Selection.

Organisational Responsibility

Reports to the Sports Medicine Clinic Lead.
