Loughborough is the largest single site University campus in the UK at 440 acres; it is located close to a market town and is only minutes away from the motorway network. The Estate is in a sylvan setting, with a huge variety of academic, residential, commercial and sports facilities and is 362,000 sq. m in total. There are 154 buildings as well as a further 85 acres that is currently agricultural land adjoining campus that has planning permission for the further development of the Loughborough University Science and Enterprise Park (LUSEP) and is part of an Enterprise Zone.
