

UNIVERSITY TEACHER in Musculoskeletal Rehabilitation (*maternity cover*)

Job Ref: REQ260491

The **School of Sport Exercise and Health Sciences (SSEHS)** is a multi-disciplinary school committed to fostering a diverse and inclusive academic community. It upholds the highest standards of excellence in research, innovation, and pedagogy across the full spectrum of disciplines within sport, exercise, health and wellbeing.

Internationally recognised for its contribution to the study of sport, exercise and health, the school has wide-ranging expertise, encompassing such diverse areas as biomechanics, medicine, molecular and cellular biology, nutrition, pedagogy, psychology, physiology, sociology, economics and sport management.

The School is extremely proud to hold an [Athena Swan Silver Award](#) since 2012, recognising the commitment and work of the School in addressing gender inequalities in Science and to improving career progress for female academics. The School is committed to ensuring that female students and staff are able to achieve their full potential; and provides a flexible and open working culture to enable staff to maintain a work-life balance.

Job Description

Job Family & Grade: Specialist & Supporting Academic (Grade 6)

Job Purpose

To contribute to, develop and enhance the activities of the School through bringing direct academic, professional and vocational experience to the School's taught programmes and enterprise activities.

To assist with the structure and development of teaching and enterprise activities.

To provide teaching, administrative and mentoring support.

Job Duties:

Teaching

- Work with colleagues to deliver an exceptional learning environment for students.
- Teach and inspire undergraduate and postgraduate students and to conduct assessments.
- Provide academic support and advice to undergraduate and postgraduate students on relevant modules.
- Promote the use of a range of effective methods and techniques in teaching, learning and assessment.
- Cooperate with colleagues in the review and development of taught programmes and curriculum.
- Participate in the design, delivery and supervision of laboratory activities appropriate to the role.

Student Support

- Prepare and deliver workshops and induction sessions as appropriate.
- Act as a Personal Academic Tutor to allocated students in the School where required.
- Act as a Placement Visit Tutor and visit students on placement in industry/business where required.

Enterprise and Scholarship

- Engage in appropriate scholarship activities to ensure that taught content is up to date and

appropriate.

- Engage with business, public and voluntary organisations through knowledge exchange activities such as student projects and placements, technology transfer collaboration, consultancy and specialist training.

Related Activities and Functions

- Work effectively with relevant administrative, technical and academic staff in the School and across the University.
- Actively support student recruitment including participation in open days, visit days and summer schools.
- Take part in one or more School committees if required.
- Engage in training programmes in the University (e.g. through Organisational Development) which are consistent with your needs and aspirations and those of the School.
- Undertake such other duties as may be reasonably requested and that are commensurate with the nature and grade of the post.

Points to Note

The purpose of this job description is to indicate the general level of duties and responsibility of the post. The detailed duties may vary from time to time without changing the general character or level of responsibility outlined in the document.

Organisational Responsibility

Reports to the Associate Dean of Education and Student Experience via the Learning and Teaching Discipline Group Lead for Physiology and Nutrition.

Shared University Responsibilities

As a member of the Loughborough community, you are expected to:

- Take reasonable care of yourself, others and the environment, and to prevent harm by your acts or omissions. All staff are therefore required to adhere to the University's Health, Safety and Environmental Sustainability Policies & Procedures.
- Uphold and actively contribute to the [University's commitment to Equity, Diversity, and Inclusion](#), ensuring that all duties are carried out in alignment with this.

Our Purpose, Vision, and Values

Our purpose, Vision and Values underpin all that we do and shape how we work together at Loughborough.

We're proud to promote our values: **Adventurous, Collaborative, Creative, Authentic** and **Responsible**. Our people bring these values to life every day, and they are central to the positive and supportive culture that makes Loughborough unique.

If you join us, you'll be encouraged to bring these values to life in your own work and contribute to the positive, supportive culture that makes Loughborough unique.

Our Accreditations

We strive to create a culture that supports equity and celebrates diversity throughout the campus. The University holds a [Bronze Athena SWAN award](#) which recognises the importance of support for women at all stages of their career.

We are proud to be a [Race Equality Charter Member](#). The Charter aims to improve the representation, progression and success of all minority ethnic staff and students within higher education and address issues of racism within higher education institutions (HEIs).

We are proud to be a Disability Confident Employer and have adopted a proactive approach to employing disabled people and to creating a more diverse workforce. We ensure that our recruitment processes are inclusive and accessible. We guarantee to offer an interview to all applicants who have declared a disability, provided that the essential criteria for the role are met. We proactively anticipate and provide reasonable adjustments and support existing employees who acquire a disability or long-term condition to thrive in the workplace.

We are a real living wage employer, and our Living Wage Employer Mark shows our commitment to paying our staff according to the cost of living.

We are proud supporters of the [City of Sanctuary movement](#) and delighted to be recognised as a University of Sanctuary. This national network brings together, university staff, lecturers, academics, and students, who together work to make Higher Education institutions places of safety, solidarity and empowerment for people seeking sanctuary.

We are committed to addressing gender inequalities in science and to improving career progression for female academics. The School of Sport, Exercise and Health Sciences holds a [Silver Athena SWAN award](#) which recognises the importance of support for women at all stages of their career.

As part of the University's ongoing commitment to redeployment, please note that this vacancy may be withdrawn at any stage of the recruitment process if a suitable redeployee is identified.
