

Cricket Grounds & Pitch Operations Manager

Job Ref: REQ260556

As part of the University's ongoing commitment to redeployment, please note that this vacancy may be withdrawn at any stage of the recruitment process if a suitable redeployee is identified.

The Grounds & Gardens team is responsible for the maintenance, development, and presentation of all outdoor sports facilities and landscaped areas across the University estate. Our primary focus is delivering **world-class playing surfaces** for a wide range of sports, including cricket, football, rugby, athletics, and multi-use areas, to meet national and international standards.

The department ensures that all sports grounds are prepared and maintained to support elite performance, student participation, and community engagement. This includes **specialist turf management, pitch construction and renovation**, and the use of advanced machinery and techniques to achieve optimum playing conditions. In addition, the team manages **landscaped gardens and amenity spaces**, contributing to the overall aesthetic and environmental quality of the campus.

The Grounds & Gardens department plays a vital role in supporting the University's reputation for sporting excellence and providing a safe, high-quality environment for athletes, students, and visitors.

Job Description

Job Grade: Operational Services Grade 5

Job Purpose

To lead and manage the delivery of world-class sports ground maintenance and development, with a primary focus on cricket surfaces at national and international standards. This role includes strategic planning, team leadership, and operational oversight to ensure exceptional playing conditions. The post holder will take responsibility for day-to-day operations of the cricket areas and team of 6 staff.

Job Duties

1) Leadership, Planning & Stakeholder Liaison

- Provide day-to-day **leadership and supervision** of the Cricket Sports Grounds team; set clear standards and expectations and deliver a high-performance culture.
- **Plan, allocate, and monitor workloads**, including **fixture scheduling, pitch plans**, and resource coordination to meet operational and strategic objectives across the ECB Performance Centre and wider University venues.
- Act as the primary liaison with national teams and governing bodies (e.g., **ECB**), Head Coaches and Captains to prepare surfaces that support performance objectives.
- **Lead administrative coordination** for the team (rotas, holidays, absence, TOIL) and manage external contractors working on playing surfaces.

2) Technical Delivery & Elite Surface Performance

- Oversee preparation and maintenance of **natural and synthetic cricket surfaces** (including experimental pitches) to elite standards, with precise match-day set-up (sightscreens, boundary markings etc).
- **Manage the winter marquee (covered grass wickets)**: schedule usage, prepare and maintain wickets, and align programmes with ECB team training requirements.
- Coordinate specialist **renovation** of cricket loams and outfield development; regularly **monitor, review, and report** on surface characteristics and performance.
- Ensure effective use and **servicing planning** for maintenance machinery (mowers, aerators, rollers, sprayers);
- On match days, act as **lead point of contact for umpires** on fitness for play, delays or abandonments.
- Protect pitches from adverse weather using appropriate **sheeting and covers**; coordinate snow and ice clearance in inclement conditions.

3) Quality Assurance, Compliance & Records

- Maintain sports grounds and landscaped areas to standards set by the Grounds Manager.
- Implement and monitor **Health & Safety** policies and safe systems of work; ensure compliance with legislation on **machinery and chemicals** (including accurate **fertiliser and pesticide records**).
- Uphold **safeguarding** requirements and **equality, diversity and inclusion (EDI)** policies in all team operations and decisions.

4) Continuous Improvement & Professional Development

- Identify and recommend improvements to work systems, machinery utilisation, and operational processes; adopt innovations in modern sports turf practice.
- Mentor staff, support skills development, and **continually update personal knowledge and skills**

5) Additional Duties

- Landscaping works to plans/drawings.
- General maintenance of tools and equipment; promptly report unsafe equipment.
- Hold a current clean driving licence and operate University vehicles as required.
- Undertake other duties of a sports grounds nature commensurate with the grade.
